EXHIBIT C-2
COMPENSATION-MEDICARE CONTRACT

Hospital agrees that it shall accept the rates below as payment in full for Covered Services pursuant to this Agreement.

Vought Health shall pay Hospital the rates below less any Copayments and deductibles.

I. Hospital Services:

Inpatient	100% of the Medicare DRG rates or 100% of the current Medicare Fee Schedule
Outpatient/Emergency Room	100% of the Medicare Allowable rates (APC rates)
Outpatient Surgery	or 100% of the Current Medicare Fee Schedule
Observation	whichever is applicable.
Other Outpatient	

Any Medically Necessary Covered Services not otherwise payable on a Medicare Allowable Rate, shall be payable at thirty percent (30%) of billed charges.

***Included DRG Reimbursement Components:** Vought Health shall pay Hospital for Medicare inpatient prospective payment system components, in the same manner as original Medicare, including the following:

1. Base Rate MS-DRG (Includes Operating Federal Specific Portion and Capital Federal Specific Portion)
2. Capital IME
3. Disproportionate Share (Operating and Capital)
4. Outlier Payments
5. CMS approved New Technology pass through amounts
6. Factor 8 components if approved and paid by CMS

Excluded DRG Reimbursement Components: Notwithstanding anything to the contrary in the Agreement, the parties understand and agree that Vought Health shall not reimburse Hospital for the following Medicare inpatient prospective payment system components:

1. Operating IME
2. Operating and Capital GME
3. Nursing
